SENATOR LUEDTKE: Well, let me answer you anyway. Mr. President, may I reply to that?

PRESIDENT: Senator Luedtke, you may reply.

SENATOR LUEDTKE: The point is, I am not suggesting any further studies. I'm stating to you, sir, that LB1015 has a provision for treating of this very problem. And we feel it will work. If you don't feel it will work, that's your opinion. We who work with it feel that this is the way it ought to be done.

PRESIDENT: Senator Schmit wants to ask a question.

SENATOR SCHMIT: Yes, Mr. President, I'd like to ask Senator Luedtke several questions, if he would yield please.

PRESIDENT: Senator Luedtke, will you yield please?

SENATOR LUEDTKE: I will.

SENATOR SCHMIT: I do appreciate LB1015 because....are....are the questions which you have been posing here which have been....in discussion between yourself and Senator Kellyare they answered in sub-section 3, section 4, on page 5 of LB1015. Is that right?

SENATOR LUEDTKE: Well, I really....I really didn't come here prepared to debate LB1015 any further. However, that question came up and I assume that you're talking about the sections that deal with subject....when the payments have not been made to the children, yes. That's what I'm talking about.

SENATOR SCHMIT: Yes. Well, this....then if I may continue my question. If LB1015 is enforced, there'll be no problem insofar as the determining if the money is used properly.

SENATOR LUEDTKE: I hope so, yeah.

SENATOR SCHMIT: Well, then if this.....

SENATOR LUEDTKE: I hope so but what I'm say to you is is what if this is the question, Senator? If this is the question the argument is whether or not that has been paid, while that's being determined under LB1015, somebody can take this particular section and suspend their drivers license.

SENATOR SCHMIT: Well, Senator Luedtke, if I may ask one more question. Are you advocating that in this case the ex-husband violate a court order upon his own, his own cognizance rather than to live under the law as it's laid down?

(End of Belt 3A)

(Begin Belt 4A)

He suspends payment upon his own decision? Isn't there a procedure under the law by which he can obtain relief?

SENATOR LUEDTKE: That's what LB1015 now provides very clearly for and that's why I'm for LB1015.

SENATOR SCHMIT: Well, then, I still suggest, Senator Luedtke, if I may, that if LB1015 becomes law there is no reason for
